Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Sunday 11 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Rain later today and heavy showers on Monday. Drier thereafter.

Today:
Dry for many through the morning, with sunny spells and only a few showers. Turning cloudier through the afternoon with showery rain moving in from the southwest later, heavy at times. Maximum temperature 21 deg C (70 deg F).

Tonight:
A cloudy and wet night, as patchy rain spreads across the region, with the heaviest bursts occurring early on but most of the rain is expected to be light. Minimum temperature 13 deg C (55 deg F).

Monday:
Staying cloudy through the morning, with patchy light rain fizzling out. Sunny spells and showers developing during the afternoon, some of which cloud be heavy and possibly thundery. Maximum temperature 22 deg C (72 deg F).

Outlook for Tuesday to Thursday:
Sunny spells on Tuesday, with a few lighter showers. Dry and sunny on Wednesday. Low cloud and drizzle on Thursday morning, clearing to sunny spells and dry conditions later.
